

Faculty of Health and Social Care
Proposed Masters Academic Timetable 2018/19

Timetable

The proposed timetable below is subject to change and may be amended / updated on a daily basis. Please note that some proposed modules may not commence if there are a small number of students registered. Modules are cancelled at the discretion of the module leader and every effort will be made to inform students registered of any changes.

If you require advice or support please contact your programme leader or the module leader listed.
