Please note that for Student Finance purposes, a part-time rate of study (25%) equates to 40 credits minimum each academic year (excluding claims for prior learning)

**Student Loans & WBIS**

At the time of publication our understanding is that students in receipt of Postgraduate loans are not able to include any relevant APCL or APEL in their WBIS programmes. Students in receipt of PG loans must complete all 180 credits of a full Master's degree afresh.

Undergraduate students in receipt of student loans may include any relevant APCL in their WBIS programme. Undergraduate students who wish to submit claims for APEL, however, should check their situation with the University's Finance Office beforehand and also inform their Personal Academic Tutor (PAT).
